

Personal Experience

Posted by ephraimliberman - 14 Apr 2023 07:30

Hi I Am b"H working on myself and i actually was strong for around 100 days but then i broke for a few days but i went right back strong

so even if you fall dont feel that your not getting anywhere and what was it worth all that i watched myself,

just never give up, Because Hashem Loves You.

Hey, that is tremendous strength! wow! Hashem definitely loves you!!

What are you up to?
