

REACHED 180 DAYS BH

Posted by ytw - 04 May 2023 15:37

Hi everyone,

Today marks my half birthday, a day that marks of 180 days of struggle and inner control, a day that marks 180 days of connection to self and to Hashem, (we might not feel it every day, but I'm sure Hashem cherishes each and every day...) a day of gratitude to our loving kind father in heaven, a day of gratitude to our home here - GYE, a day of gratitude to the staff behind GYE, a day of gratitude to the whole community here, and a day of celebration.

I'd like to invite you all to the virtual L'Chaim that will take place here at any given time, let's celebrate together and give brachos and achieve greatness.

a special thanks to [Hashem Help Me](#), [ChaimMod](#), and to my dear therapist for helping me get here.

And during the L'Chaim I'd like to encourage all of you to join me in this journey and to hop along with me, "???? ???? ?? ??? ???".

all the best

p.s. "it's not easy but it's great, and we strive for greatness (not for easiness)"
