Guys,

I can't reach out for help on chats becasue I can't stay at my computer for long...

Life is crazy. Wife is depressed. Many children with lots of energy.

And now Tahara issues!! Been assur for many weeks. I have been on a roller coster...

I am trying so hard not to give in (49 days clean as of today) and just wish I could release all the stress by acting out, but ?????? ??? ?? ???..

I feel so stuck.. ??? ?? ?????? ??? ?? ???????..

I can't anymore..

Thanks for listening, I have noone I can speak to..
