GYE has a form you can fill out for this if you are unmarried and can't afford a filter.

Here is the link: <https://guardyoureyes.com/protection>

Which filter do you have, and why doesn't it work?

What if our dear new friend is married and cant afford a filter, how can we help him?

@Trial please let us know if your married or not.

Dear trail,

I dont mean to be a nudge. But if your married and cant afford a filter, please reach out to me and we can discuss a deal.

Thank you,
