---

Hi guys so I've hit day 90 with hashems help he has given me 90 days of freedom I just want say thank you hashem.

soooo to get to this day I had to get rid of all the potential dangers in the house i.e unfiltered devices bh it wasent to diffuclt to convince my brother to sell his Xbox bc that was the thing that I kept falling to and another thing I remember sompoint during the journey I was about to buy an unfiltered phone but I manged to distract myself for 5mins and instead I bought a perfume this perfume is my perfume trophy every time I put it on I remember how good it felt to walk away from that situation without falling into the pit bh and of course the most important thing is the mentor that I got from here thanks to the community on here massive game changer

Beautiful! Amazing! And inspirational!

I'm sure Hashem enjoys that perfume as much as you do - mamash the smell of gan eden.

Keep on crushing it!
