

Holy In Jerusalem

Posted by stopsurvivingstartliving - 24 Jul 2024 20:58

As a single bochur in Yerushalayim I hope to go for 90 days M-Free. Bh regarding porn I am by day 47 but because M is my main struggle right now I want to have this thread just for M.

Today if I bez"h pass it will be day one I still have to withstand an hour or 2 including a shower. I ask hashem to give me help through this challenge and through this i can grow in totah avoda and yiras shamayim.

I wish to STOP SURVING & START LIVING.

PS special shout out to HHM who it turns out months ago when I reached out to GYE and they hooked me up with a pro and maiven to talk to it was him, and he's been supporting me since. Keep it up HHM, keep helping klal yisroel.

Hours of scrolling and porn.

Could use some chizuk.

I'm not sure I am even in survival mode.

Its only a bit more than 12 hours since my last post, but so far so good. Hope to be able to get back into it.

Have a Good Shabbos!

Sharing this over from the baalei battim side (shhhh, don't tell anyone)

"richtig" post=426615 date=1733431876 catid=17

"After someone mentioned that the holiest time of the year is the last moment on Yom Kippur, the Day of Atonement before the Gates of Heaven close, the Kotzker banged his fist on the table: "No, no, and no!" he yelled. "The holiest time," he continued, "is today. The holiest

person is you, and the holiest place is right here.'"

Found myself poking a bit but got no where.

Overall today was good.

Do you have a friend you can reach out to comfortably as soon as the first filter poking urge hits?

Methinks that's a potential game changer for you based on your trajectories....

I think for me today was a good example of "Yeridah L'tzorech Aliyah".

I managed to see some porn again, but this time I reached out to someone after and I agreed to add an admin to my filter account. Which means each request needs to be approved by this person. I hope this helps me moving forward. A lot of times I poked and poked and out of frustration end up masturbating. So I think this will be avoided.

I don't claim to that life's gonna be dandy now that I can't poke but at least I took a step in the right direction.
