

Holy In Jerusalem

Posted by stopsurvivingstartliving - 24 Jul 2024 20:58

As a single bochur in Yerushalayim I hope to go for 90 days M-Free. Bh regarding porn I am by day 47 but because M is my main struggle right now I want to have this thread just for M.

Today if I bez"h pass it will be day one I still have to withstand an hour or 2 including a shower. I ask hashem to give me help through this challenge and through this i can grow in totah avoda and yiras shamayim.

I wish to STOP SURVING & START LIVING.

PS special shout out to HHM who it turns out months ago when I reached out to GYE and they hooked me up with a pro and maiven to talk to it was him, and he's been supporting me since. Keep it up HHM, keep helping klal yisroel.

It's been a week of soberness on P and M. TBH I did not have any urges to act on. The urges to look on the streets I did have and did not win them.

Life still is sucking. Being in survival mode is an understatement but I am treading. I may not be out of breath from the treading so it can feel like I am happy with my day to day life, but just knowing that you are surviving really ain't good.

Joined a vaad. Didn't talk much but was nice to hear other real voices discussing the struggle. Thanks to all who are behind the vaadim.

Good Night Guys,

It's Dark In Here But I Think There's Light Somewhere

Unfortunately I got a hold of porn. I am challenging myself out loud not to finish it off with masturbation. I don't have a good feeling about it because I have in my mind that when the zera

builds up it needs to come out and it isn't healthy staying in (I saw this in a article online way back that says it's good to urinate after sex because of this). If someone can convince me out of this I would be happy to hear.

Thanks for listening.

I have no idea whether it's unhealthy to not release. But if you do manage to overcome this challenge that's something that will never be taken away from you for as long as you live and after. The fact that you are still fighting even at this point is amazing. I really don't think you understand how amazing it is. But it is amazing. And if you're misgaber that will be even more amazing. Please delete the p\* (or whatever.) If you don't end this story with mast\*rbating that will be something to be proud of for the rest of your life.

Hi Bro

I'm gonna sat this in the cleanest way possible

MAJOR BS

There is a SA pamphlet with detailed scientific explanations disproving that whole notion

I would love to upload a copy here - I don't know how to.

That being said YOU ARE A LEGEND and I believe in you pulling through

I think its time we meet up...
