

Just Starting

Posted by humanbeing - 04 Jan 2010 17:34

Hello fellow brothers,

I can't begin to describe my feelings of love and gratitude to all you kind Yidden. Kal Yisrael Araivim etc. and now I can truly see I'm not alone...

A little about me - I'm 32 years old with 4 B"H beautiful children and a very wise wife whom I truly love and cherish.

I have been struggling with remaining clean since I'm 15/16 years old...I fall once or twice a week since then.

When I got married (8 years ago) I was able to control myself for quite some time. However, the pressures of Parnossoh and the pitfalls of the high speed internet. R"L... Due to technical difficulties (I marked 1/1/2009 instead of 1/1/2010 as my first day) mistakenly my wall of honor post shows a previous streak of 364. I am now clean for 4 days since the Goyishe New Year and I hope to make that 364 days clean (and beyond) a reality.

I hope to find a sponsor or at very least a partner to whom I can entrust my internet filter/Accountability software. I will need that person to spend time in the beginning to tweak the settings since I have to use the internet extensively as part of my job. Unfortunately, I spend many hours alone in my office...I pray that this accountability and sense of community will help me attain a daily victory over my Yetzer Horah and desires for many years.

I also hope to find a Phone Group that would work with my schedule...I'm in the West Coast

BH HB is doing great ...Just beat my clean streak...Trying to not focus on the numbers...Just focusing on my Bitachon and being B'simcha and grateful for the many blessings in my life...Also my wife's due date just passed...So that's been keeping me busy taking care of our 4 kids so she gets the rest she needs. Will let you all know the good news when it happens.

HB,

May all your blessings come b'Shaah Tovah U'Mitzlachas, and may everyone be healthy and well.

Let us know when, and if it's a boy or a girl, so we know whether to make our lechaim's on schnaps or liquer!

Hey, if you need to lose weight, chasing 4 kids around will do it!!

Simcha & Beracha,

Steve.

HB is getting sleep, and I'm not!!!

WAAAAAAAAAAAAAAAAAAAAAAAAAAAA!!!!.....

But not for *LOOONGGG!!* he'll be doing the Midnite Hakofos shortly...

How many circles can YOU make around the dining room table with a baby in one arm & a bottle in the other?

Hey, HB, you know what that little knit thing that you put over a baby's foot is called?

That's right! It's called... *A SOCK NACHAS!!*

WAAAAAA WAAAAA!

WAAAAAAAAAAAAAAAAAAAAAAAAAAAA!!!!!!.....

...Who's baby are u taking care of?

Woke up very early today...4 AM...I'm very down over my financial situation which is in a financially dangerous state...I'm trying to meditate that we have to be like the Oichlei Man (not cannibalism CH"V, the Manna from Heaven) Trying to concentrate on the fact that Hashem will provide day by day. For those that need a refresher on their Bible knowledge, the people that ate the Man only had what to eat for that day. What to eat tomorrow they relied completely on Hashem to provide that miracle anew in the barren desert.

As I delve deeper into my low spirits this morning... writing to you holy crazy people helps do that (I mean that in utmost respect, of course!). I'm beating myself up for all of the time wasting when i could have been trying to earn....You see the cycle of this Y"H...Depressed there is no Parnossoh....No hope to even creep out of my financial rut...So why bother working...So get depressed and beat myself up...brings me again to the feeling of Yiush and hopelessness....Stop I getting depressed again...

Have a fabulous day everyone!
