

Just Starting

Posted by humanbeing - 04 Jan 2010 17:34

Hello fellow brothers,

I can't begin to describe my feelings of love and gratitude to all you kind Yidden. Kal Yisrael Araivim etc. and now I can truly see I'm not alone...

A little about me - I'm 32 years old with 4 B"H beautiful children and a very wise wife whom I truly love and cherish.

I have been struggling with remaining clean since I'm 15/16 years old...I fall once or twice a week since then.

When I got married (8 years ago) I was able to control myself for quite some time. However, the pressures of Parnossoh and the pitfalls of the high speed internet. R"L... Due to technical difficulties (I marked 1/1/2009 instead of 1/1/2010 as my first day) mistakenly my wall of honor post shows a previous streak of 364. I am now clean for 4 days since the Goyishe New Year and I hope to make that 364 days clean (and beyond) a reality.

I hope to find a sponsor or at very least a partner to whom I can entrust my internet filter/Accountability software. I will need that person to spend time in the beginning to tweak the settings since I have to use the internet extensively as part of my job. Unfortunately, I spend many hours alone in my office...I pray that this accountability and sense of community will help me attain a daily victory over my Yetzer Horah and desires for many years.

I also hope to find a Phone Group that would work with my schedule...I'm in the West Coast

Happy Presidents Day....You gotta be able to run yourself before you can run a country...Look at Clinton...Throwing away the greatest honor and respect in the world for a small Ta'ava! Lust takes away any shred of logic.

MAZAL TOV!!

little baby is very good for our battle.

just everytime you have a *hirhurim* think of your baby, and how sweet he is,

all the bad thoughts will disapeer at that moment.

try that.
