Day 34 clean bh

Still need to buy myself something for the achievement but for me personally it's much easier for me to give up whatever I had to when I falled and so so much harder to buy myself something if I did something good cause I feel like I don't deserve it

Buddy, celebrate - not only do you deserve it - but you also need it! That little voice saying not to feel good about this awesome accomplishment is the Satan! Statistically, guys who celebrate, graduate b'ezras Hashem. And at your reward ceremony (as you eat your chocolate bar or whatever you do), thank Hashem for 30, and ask for more - just like at a siyum. (And we all know about that little voice that says "don't make the siyum - you don't really know the mesechta so well....)

Hello friend!

I can't PM because my account is less than 30 days.

On Erev RH I went by myself and bought myself a breakfast special and sat and read a bunch of threads here on GYE

(I couldn't tell anyone why I was celebrating:)

If you were sad about the falls, you have to be happy about the wins.

Chazal tell us, a hard win is better than 1 fall by a factor of 500 times (rashi says 4 for a loss and 2000 for a win)

I don't know how much it is but 34 times 500 is alot!

Alot alot!!!

Day 36 clean that's 4 more days and we are at 40!

So there were a couple of times were I wanted to watch but it's amazing how my brain stright went to "no way buddy absolutely not it's almost yom kippur and it's just not worth it"

I'm happy to see that bh my brain is making little change's and I'm able to shut down the urge faster bh!

Arms up, ready to swing,

He doesn't lose focus,

Because this is his dream.

With a warrior's spirit inside,

He stands up tall,

Beating challenges in stride.

One day at a time,

He conquers today,

And continues to climb.

Never giving in,

He is determined,

To eliminate this sin.

Rewiring the brain,

He learns new ways,

Of managing the pain.

One of the clan,

He demonstrates,

The potential of a man.

Being a fighter,

He shows us all,

Who's really mightier.

(In other news,

He owes himself,

A new pair of shoes).

Keep on Rock(y)ing and inspiring!
