

Lonely but trying (trying but lonely)

Ok here goes.

I'm starting a new 90 day journey.

I don't know why 90 days. Maybe because I saw that other people started a 90 day trial and it worked so let's give it a shot.

I'll give my story over the next posts as I'm new here and not all together comfortable sharing my life story.

I'm already up to day 8 so I have a little wind in my sails.

IYH we'll add in the days, one by one.

Rabbosai

I have been quiet lately.

My phone screen cracked so I couldn't log on.

Also things have been busy BH.

Rebbetzen Chai has given birth yesterday to a yummy little baby boy.

All are doing well including me (who managed a full 4.5 uninterrupted hours of sleep last night!)

May we all enjoy simchos together BE"H

Gentlemen, I have returned.

I apologize for my leave of absence.

All is well BH in the holy Chai household.

Urges have been coming back a little over the last few days (mental urges only BH)

Probably to be expected several weeks after a baby.

Looking forward to being back and posting regularly.

I missed you all tremendously.

Looking for a davening/minyan accountability partner/s

It needs serious improvement.

Maybe we can form a group of people who are interested in working on their davening attendance etc.
