

Let's give it a shot

Posted by sytv2002 - 11 Mar 2025 17:01

Hey everyone. I'm going to try something new. I will commit to commenting on here every day for 90 days. I've already fallen today so starting tomorrow will be day 1. Do I think I can get to 90 days clean? Not really no. Not at all actually. But let's see what happens. But win or lose, I'll give a daily update. Would love all to join me.

Day 76 posting... day 2 clean...

Rubbing it in that I have to see my childhood crush's husband every day. A girl that genuinely seemed like a good fit for me.

Yes, that is painful indeed, the odds are he's a doddering, lightweight buffoon who doesn't deserve her.

Have you considered **all** of your options? PM for more details.

This feels like an reincarnation and its "trouble-some".

Did someone call [Trouble](#)? You think he'll come back from biafra for this?

Although I'd love to see him come back...

lol YKW truth is he's a pretty respected and outgoing guy. A bit nerdy tho. But I hate the idea of degrading other people just because I'm jealous and lonely
