A Great Big Mazal Tov to Phillip on reaching 90 days!

We have placed him in the top slot on the [Wall of Hashem's Honor](#)! (where he will remain for the next two days until Boruch hits 90 IY"H ;D)

Phillip wrote me an e-mail:

*B"H I have reached 90 days. I can't begin to express my gratitude to you and your web site on helping me reach this stage. The way I look at 90 days, is like finally finishing the first foot step to healing from this disease. Like this is the first step of a long journey that I am eager to participate in. It's like getting out of Mitzrayim, but yet I still have to be mekabel the Torah.*

*What ever way I look at it, its the first step to something bigger.*

*The mazal tov is for both of us and for every participant on this website. Because my success is just a reflection on the succes of your website.*

*Thank you for everything.*

*Mazal Tov.*

Let's all learn from these great warriors. If they can do it, we can ALL do it!

Phillip,

Mazel tov on your great accomplishment of taking this first big step.

May you be zoche to continue growing as you reach bigger and greater things; You should be zoche to reach heights you never even dreamed of. You should be zoche to reach heights that you never knew existed.

When you get a chance, please post and inspire us all. We need all the inspiration we can get.

Mazel Tov!

The more people that reach this milestone, the easier the battle becomes for the rest of those still struggling!

Remember, Kol Yisroel Areivim Zeh L'Zeh...we are all connected to one another and all responsible for one another.

Chazak V'Ematz!
