

bardichev's battle

Posted by bardichev - 19 Apr 2009 19:51

Hello to everyone here. I am truly humbled to be here. It is the most wonderful thing.

I can not believe that today is my 31st day without any assur internet whatsoever. Without any bittul zeman internet. I can't believe it myself I am so happy.

Just four weeks ago I couldn't sit in front of my computer without peeking just for a few minuets at all the filth that the Y"H brought my way.

Just four weeks ago I was the lowest person in the world living the biggest lie. Just four weeks ago I was crying under my desk and I really wanted to change. Indeed in the past I made strong kabbalos I gave myself all kinds of mussar I applied all kinds of advice but I never was able to ever go 2 weeks clean.

I B"H found a lifeline GUE I realized 3 things a. there is a way to recover

B. that I am an addict an addiction will need recovery not that I'm just crazy or SHVACH . C. there is other people in the same boat that are honestly working on changing their lives.

At that point I didn't feel that I deserved to be on the forum let alone on the WOH. So I kept my own journal for two full weeks .It was so hard to change but all the chizuk from reading all the posts on GUE pushed me along.

I still can't believe that I am clean for a month .I am not trying to delude myself to say I arrived I REALLY need all the encouragement to reach my short term goal of 90 days. I am really taking it one day at a time. I am davening for siyatta dishmaya.

I realize that the battle of the Y"H is a full time job. My shemiras ainiyim is on a very good level B"H. I am scared that I will fall so I am really setting small goals.

I came to this realization that I couldn't stop my self until I admitted that I was an addict not that this was just a bad habit this is my addiction. Once I knew I was an addict I was able to accept advice from all the people on the forum because until one doesn't ADMIT he cant be helped because its not for him.

I started to realize that the power of TEFILLA is so great.

I had a wonderful insight in the tefilla we say "VCHOF ES YITZREINU LHSHTABED LACH" we daven that Hashem should force Y"H to be subjugated to HIM. All my life I davened that "my" Y"H should be controlled by "me" .NO NO NO I have learned from the first of the twelve steps we are begging Hashem to force the Y"H to be under HIS control. (I am saying this as a chizuk not trying to delve into deep questions that deal with Emunah).

May all our friends here be the source of inspiration that we all become truly the HEILIGE NESHAMOS WE WERE GIVEN AT BIRTH.

Please give me the chizuk (and mussar too) to reach my goal.

May Hashem bentch each and every one of us.

Humbled and happy

Bardichev, my BROTHER

In your zechus, I am so **HAPPY** today. I felt a rush of new energy enter my body. I had a spiritual downpour of inspiration. In your zechus, my learning sky rocketed today as I fell deep into the sugya of shibud m'taltlin trying to figure out all its intricacies as understood by the rishinom and poskim. At first I could not figure out where all this energy came from and then I realized...

Now for some mussar (As I know you LOVE mussar)

We must realize that milestones in life are not the **end** but rather a **beginning**. The purpose of the milestone is to enable us properly for the future. It is a point in life where we realize that we accomplished and **can continue** to accomplish. During these milestones, we reflect on the past on our great accomplishment and great kochos that were revealed; BUT then look to the future for a world of eternal growth. When we realize how the first small part of the climb was so exhilarating to be a NEW person, we are invigorated for an exciting journey in the future. We look not to our future with scared eyes but rather with eyes wide open as we realize there is MORE goodies to come. Now is when life REALLY begins.

Bardichev, your avodas anivas is mechayiv you to begin your name with a lowercase **b**. However, my avodas anivas is mechayiv me to begin your name with an uppercase **B**. From the day you arrived on the scene here at GYE, our similarities were apparent and I was therefore able to get such inspiration from you. Your attitude is amazing with your simchas hachaim and amazing yearn for an eternal keshar with hashem. From the start, you were always so sincere and determined. The moment you joined our team, you had an amazing boost of energy that catapulted you into immediate recovery.

Like I have told you many times, I truly value this relationship.

From your dear and sincere friend,

Yaakov

May WE ALL continue to share with each other's **simchas** and continue to grow together.

May WE ALL be zoche to be the baalei teshuva who will dance at the next **simchas** beis hashoeva, Bimhera B'yameinu

Bardichev-

I am so happy for you! As you give credit to everyone on this site, you should realize how much credit YOU deserve. Your simcha and upbeat attitude lift me (and I'm sure many others) up every day and it is impossible to be sad after reading your posts. I can't imagine how many people you inspire and I'm sure they include many people who never post but just come to be uplifted. I wish you much Hatzlacha in all of your Avodas Hashem and especially in continuing to help people on this site with your joy and insight.
