

bardichev's battle

Posted by bardichev - 19 Apr 2009 19:51

Hello to everyone here. I am truly humbled to be here. It is the most wonderful thing.

I can not believe that today is my 31st day without any assur internet whatsoever. Without any bittul zeman internet. I can't believe it myself I am so happy.

Just four weeks ago I couldn't sit in front of my computer without peeking just for a few minuets at all the filth that the Y"H brought my way.

Just four weeks ago I was the lowest person in the world living the biggest lie. Just four weeks ago I was crying under my desk and I really wanted to change. Indeed in the past I made strong kabbalos I gave myself all kinds of mussar I applied all kinds of advice but I never was able to ever go 2 weeks clean.

I B"H found a lifeline GUE I realized 3 things a. there is a way to recover

B. that I am an addict an addiction will need recovery not that I'm just crazy or SHVACH . C. there is other people in the same boat that are honestly working on changing their lives.

At that point I didn't feel that I deserved to be on the forum let alone on the WOH. So I kept my own journal for two full weeks .It was so hard to change but all the chizuk from reading all the posts on GUE pushed me along.

I still can't believe that I am clean for a month .I am not trying to delude myself to say I arrived I REALLY need all the encouragement to reach my short term goal of 90 days. I am really taking it one day at a time. I am davening for siyatta dishmaya.

I realize that the battle of the Y"H is a full time job. My shemiras ainiyim is on a very good level B"H. I am scared that I will fall so I am really setting small goals.

I came to this realization that I couldn't stop my self until I admitted that I was an addict not that this was just a bad habit this is my addiction. Once I knew I was an addict I was able to accept advice from all the people on the forum because until one doesn't ADMIT he cant be helped because its not for him.

I started to realize that the power of TEFILLA is so great.

I had a wonderful insight in the tefilla we say "VCHOF ES YITZREINU LHSHTABED LACH" we daven that Hashem should force Y"H to be subjugated to HIM. All my life I davened that "my" Y"H should be controlled by "me" .NO NO NO I have learned from the first of the twelve steps we are begging Hashem to force the Y"H to be under HIS control.(I am saying this as a chizuk not trying to delve into deep questions that deal with Emunah).

May all our friends here be the source of inspiration that we all become truly the HEILIGE NESHAMOS WE WERE GIVEN AT BIRTH.

Please give me the chizuk (and mussar too) to reach my goal.

May Hashem bentch each and every one of us.

Humbled and happy

Yiddle2: That's amazing. Thanks. (I wonder if spelling variants would offer additional info.
Hmnnn.)

And, you've sadly reminded me that folks could reach this forum straight from Google, without even having heard of it. Which means it's not just from Jews who think they might have reason to be here. It could just be some goyish underage kid researching a Jewish phrase like this for school.

Which gives me a big "ouch" of a reminder. My next door neighbor etc could chance onto this site. Even if they don't connect my screen name (and some might), they could easily start reading some personal account and realize it's ME.

I'm not even SO worried about folks finding out I have issues with se*ual stuff. (There are worse issues out there.) I'm not even worried about the shadchanim or machatunim or siblings or whatever finding out about that. But I've put SO MANY other details onto this forum if you really look. My wife's singing, my greatest fears, the length of my , my disdain for Fuhgeddaboudit-Land, everything.

I daven that I never get some smart dude calling on my private cell phone some day with some question that makes me wanna be Korach (fall into hole in earth).

Curse you, google.

What's "kretchma"?

Awesome week, b"H!

What a battle...that little pecker is a tough one! No?

;-)...gotta be able to joke a little.

Allow me, please, Reb b:

Dear allaloneontop,

A 'kretchma' is a pub. In the "bardy's pub" thread you can get more than just a virtual glass of virtual Woodford...you can get some real friendship and real smiles. See ya there!
