Hello everybody, I don't go away in the summer I stay home and shvitz when I am not protected by my AC. I come in to the office only rarely thats why I don't post often, but I appreciate the replies I get, My main nisayon are the few minutes that I sit in front of the computer in the summer. in the winter its all day because I am in the office that long. Knowing that there are chevra out there rooting for me helps me a velt.

Nisayon? One idea is to make GYE your home page

Re: victory

Posted by Efshar Letaken - 25 Aug 2009 04:35

GYE is my home page.

On the top of my screen I have a banner that reads "Today is the First Day of the rest of My Life"

And I have a shivisi hashem l'negdi somid menorah on the wall next to my screen.

E.L.
