victory

Posted by rashkebehag - 06 May 2009 21:15

I have struggled my whole life. not with extreme addiction but always was tempted to peek into books in drug stores or magazine stands, i never bought anything but the peeking and looking was a terrible experience. When i heard of the internet and its dangers it only made me curious. When I got internet The dam burst. Again, I never downloaded any thing but whatever was free i would look at and I learnt a lot of disgusting things. I tried Covenant Eyes and it helps but i lie to my partner that is was one of my workers etc. there have always been ups and downs in my struggle. Recently my son brought home a book about shmiras enaim and I read it and got a lot of chizuk. Then I discovered this site. So, with both things together and covenant eyes I am pretty clean now and don't even feel the pull. of course one is never free and can always fall but right now i feel no urge to click on to any thing bad. I have subscribed to the chizuk line that u email and i read it every day. you bring down amazing things. yasher koach

I havent been here for a couple of days and I want to thank the berdichever for his great vort although **7up** should look up a page to see what i meant by that name, quite different than the holy berdichever's pshat. they say there are many ways to fight the YH and through self esteem like B. is espousing can be very effective. the proof is that it is probably one of the hardest. most people tht lose the battle is because of lack of self esteem. anyway, I would like to announce the close of another clean week since i am not here on fridays during the summer. I have no words to thank all of you for bringing me to this milestone. When i have my Old Williamsburgh on Shabbos I will have you all in mind, By the way I hope you don't drink when you make a I'chaim. [img][/img]

==== Nisayon? One idea is to make GYE your home page
Re: victory Posted by Efshar Letaken - 25 Aug 2009 04:35
GYE is my home page.
On the top of my screen I have a banner that reads "Today is the First Day of the rest of My Life"
And I have a shivisi hashem I'negdi somid menorah on the wall next to my screen.
