

Momo II: Another try

Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

So, the highlight of the GYE chanuka party for me was to finally speak with 7Up for the first time.

However 7Up, now that I've heard your voice, I've got you figured out. Your voice sounded so familiar....

Wow Im honored!

Ive never been the ihghlight of anyones anything ever before.

Gosh! Thanks Momo!

LOL about the mother-in-law line!

I was wondering why my son-in-law wasnt home when I called him on Thursdays night!

So now youve all seen me (avatar photo in rocking chair)and heard me (crackly old grandma voice)

So here I am at work, chatting with my friends, and enjoying myself and life! (and even working

If writing "I hate life, I wish I was dead" like I used to (was that really me?) was post-worthy, I guess writing "I'm having fun today" and "I am enjoying myself right now (in a kosher way!)" are post-worthy too.

HaShem, may my current happiness be contagious to everyone I "touch" on the forum!

NO WAY that long!

Guard, perhaps you can help with the statistics here, but I think it only takes 1.5 years maximum from the time anyone starts posting consistency on the forum. Can this be statistically proven?

I know you can't generalize (and it may be dangerous to do so, but...

But is my not acting out when I want to just a control method? What about self-control freeing myself from the addiction?

Worrying about whether you are "controlling your control" is also a form of control...

"Let go and let R' Shlachter."
