Momo II: Another try Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

OK everyone, I've got to go offline.

But here's the deal. I've got 300 dollars in sponsors so far.

If I get at least 500 by the time I log on tomorrow morning (exactly 12 hours from now), I'll do something on this forum I think that has never, ever been done before.

Hi everyone.

Oh well. Five minutes before the deadline and we're still at 300 dollars. Where did I go wrong?

Lcan't tell you what I have planned. If I do it or not, that's up to you guys. Either I overestimated how much maaser money you guys have to give, or I overestimated my influence on the forum.

This has been a humbling experience.

Good night everyone.

Please believe me when I say that my motivation was purely to help raise money for GYE, and to help motivate me to complete the 90 days.

I'll still try to do it (blee neder) with the 300 dollar sponsorship.

WAIT, hold the press!!!

Breaking news: Trying just pledged 100 dollars! That's 400 dollars!

Thanks so much Trying. But, unfortunately, it's not 500, so I can't do what I planned on doing on the forum that's never been done before.

Maybe in the future I'll have an opportunity to do it.

Hi Momo,

I'm not sure if I understand how this works, (also last money in, means that if you get \$450, I would give the last money i.e. the last \$50 bucks to complete the deal.) Does the money only get donated when you hit 90, or is it a general donation and you try to hit 90?

If it is the former, meaning that we make the pledges now and if you hit \$90 that's when we pay them, then I'll pledge the last \$100. I know how hard it is to hit 90, and I would be happy to be able to motivate another yid to reach that, especially someone who spends a lot of time trying to motivate others!!!

Hatzlacha,

Haba

it is Haba!! We do the pledge now and when $\,$ MOMO reaches 90 we'll be overjoyed an donate NO FAIR $\,>\,$

Re: Momo II: Another try Posted by Momo - 24 Dec 2009 07:50

Here's how it works.

If you pledge 100 dollars, then:

If I hit 30 days you donate 10 bucks.

If I hit 50 days, you donate another 25 bucks.

If I hit 90 days, you donate another 65 bucks.

Total: 100 bucks.

You can give one donation either at the end of if I fall, C"V, so you don't have to send a check for 10 bucks.

So, what's the verdict??

First, Trying your 100 pledge is more than enough.

OK, OK, I'll be nice and fair. I forgot that not everybody is a forum addict like us.

Here goes again: If I get 500 dollars sponsorship by the deadline, which I think is Sunday morning, the start of my 20th day, then I'll do the surprise posting thing. OK? Fair?

So far I have 400 dollars plus a confused Habaletaher.
