

Momo II: Another try

Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

I'm in! Totally In!! This will be \$100 I will be more than ecstatic to give! May the Good Lord be with you!

Make me pay.... please!

Haba

Haba, thank you so much. It's all for GYE.

As I promised, since I hit 500 dollars, I'll do my crazy-posting surprise thing, but not necessarily today. Maybe I'll wait until you all least expect it. I hope I don't disappoint you all.

I want to apologize if I've been haughty, egotistical, pushy, rude, and controlling.

My motive was really to raise as much money for GYE as I could. However, I know my ego and controlling nature got in the way.

I luv mysteries

Sorry, I'm not understanding that. Can you please expand, either here or in a PM if you'd like.

I've been acting egotistical and controlling. Even though it was for a good cause, I'm not sure that justifies how I've acted.

First of all, no one can be controlled unless *they* allow it. So no; you havent controlled anyone.

Second of all, there is a world apart between feeling good about yourself and letting it motivate yourself and others to help the klal, and "egotistical". So no, you havent been egotistical in my humble opinion.

I think you are amazing davka *because* of the things you are worrying about.

The 'old' Momo would never have dared to satand up as auctioneer and cheerlead at the top of his lungs!

The *new* Momo is a force to be reckoned with! BARUCH HASHEM!!!!

Thanks for the clarification. I really didn't get it before.

Yes, I've done something I wouldn't have done before, and I guess I'm second-guessing it.

I don't want to turn into some egotistical loud-mouth guy.

I'd like to be both self-confident and humble.

By the way, regarding the poll I posted, it's completely anonymous. Even though I started the)

And, if the overwhelming majority of you thinks I'm too egotistical or loud, I'll reign myself in.
This poll is tachlis based, not stam.
