

Momo II: Another try

Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

Now it's MY turn to spam everyone's threads :D :D :D

I hope you are really joking.

I was not spamming. I was trying to make everyone feel good and special. I also had promised to do something special for the forum if I received 500 dollars in sponsors, which I did.

I guess imitation is a form of flattery. However, when posting a new poll, I think posting it on your thread, and creating a new topic, is sufficient.

Momo, notice the :D :D which went along with my statement. That means I was saying it jokingly, and I don't actually think you were spamming. I'm VERY sorry if I hurt your feelings, as that was not my intention!!! I think my poll is very important, so I really want everyone to vote. I hope I don't piss anyone off with my spamming :D

Keep up your awesome work dude!!!

I think all children start happy, then, usually something happens that turns this happy child to an unhappy one.

One that possibly learned to hate herself.

Try to remember the child **before** she started hating herself, and connect to that one.

This is Duvid Chaim's idea when we working one of the steps (i think the 4th one).

IT25, LOL.

I'm so excited! I received a last minute sponsor for 100 dollars from arc321!

So, according to my calculations, I have the following sponsors:

- Silentbattle for 100
- Kedusha for 100
- Trying for 100
- Habaletaher for 100
- arc321 for 100

- IT25 for 50

- Habib for 50

600 dollars total if I do 90 days! Woooo hooooo!

Thank you one and all.

Wow. Now **that** is serious business!

Deal!

I've already done 19 days so far...

morn. davening is hard for me and i usually just say birchos hashachar to be yotzai...

I'm not giving psak, but I'm pretty sure a woman doesn't have to doven twice a day only once, right? Maybe you want to add a bit to your usual dovening without promising to take upon yourself too much?
