

Momo II: Another try

Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

Last night I managed to catch up on all the unread threads since last visit.

This morning I got up and found *4 pages of threads awaiting replies!!!* :o :o :o

Those are directed at you, Momo! You got me all panicky for no reason >
I know the forum has been growing, but come on, this was crazy!!

And especially on a Sunday :o

) ----

dear Momo has been spraying his graffiti all over every thread ever created since this site started!!!!!!

KUTGW!

:D

Its taken me a whole day to finally catch on (okay, slopw brain day on a fast

Sorry Mom for getting you into a panic. I was really only trying to bring some happiness to everyone on the forum. This was my 500 dollar sponsor surprise.

Momo "unleashed" is a force to be reckoned with!!!

By the way, you know how whenever you follow a thread you get an email whenever somebody posts to enable you to continue to follow the thread? Well, since I posted on everybody's thread, I kept on getting emails throughout the day. Like, every 2 minutes!

Although I REALLY enjoyed giving cheer yesterday, and reading and posting a lot, I didn't get much work done.

I have to get some work done today!

But, it was one of my most fun days ever!!!

Hope you can find it in your large heart of yours to forgive me for any pain I've caused you.

-Momo

Momo's feeling weak.
Must stay strong.

Know what time it is?

Rage fell, Habib slipped.
It's time to roar.

Hey Y"H, come here.

Listen up! You may have won a battle, but you know you'll lose the war!

WE ARE GYE!

Thanks Momo for spraying up my thread as well! The Y"H is working his black magic, so I'm gonna have to join you in that RRRROAAAARRR (But I only how to use little black letters so the roar comes out more like a squeak, but it sounds ferocious to me!!)
