

Momo II: Another try

Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

sup bro...office isnt closing early for new years or as you people call it, sylvester?

We have to put in our hours for the month, regardless what "holiday" it is.

It's alright; I'll survive the remaining 1.5 hours I have to put in. It's just so quiet.

Hoping the Americans wake up and post soon!

(Thanks Rage for stopping by and saying "hi".)

Dear Rage, while you're here, I've been wanting to tell you what I saw this morning. I think you'd like it.

As I was going to work, I passed a privately owned sewage-removal truck. Written on the side of the truck is "Your sh*t is our business." (of course, without the *.)

What do you think about that? ;D

Page #99, I LIKE IT!!!!

Gut Shabbos Momo, and enjoy your sylvester (that whole sylvester thing to me is riot... we can't call it New Years because that reminds us of the centuries on which New Years was a night of pogroms and Murder-the-Jew fests, so we call it sylvester :-*)
