

Momo II: Another try

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

I feel a bit stranger than usual today. I feel a positive energy, with a bit of nervousness. I have a strange feeling that something BIG and positive will happen to me today.

I don't know if it's the fact this today is my 30th day, or if something will happen in the material world, like at my work.

I guess I'll see. If nothing special happens to me at work today, or at home tonight, I guess it's

I spoke too soon.

I don't know what happened. That great feeling I had this morning is gone.

Now I feel like I want to act out, so badly!

The Y"H is fighting me hard on my 30th day.

He doesn't want you guys to donate the 60 bucks to GYE.

AAHH!!

You didnt speak to soon at all. Quite the contrary. Because you saw this day as a bright one, and because you were gonna use this to climb so high the yh came and is putting up the biggest fight he can!!! So show him that you roar much louder than him. Keep on roaring Momo!!!

Tough day sista. I thought great things were gonna happen to me today. Then I posted a bit, talked with Struggle, worked a bit, surfed a bit, slipped a bit, ate a bit, worked a bit.

Nothing special here. Keep on driving.....

I think 50 is big. 60 is big. 90 is big.

30? G-d, I worked hard for it, but it sounds so small now....

Please somebody tell me the rest of my life isn't going to be like the past couple of days.  
Struggling all the time.

I don't think I could handle that...

um, i can't tell you that.

but you should just know that as bad as it gets when i'm clean, it's ten times worse if i fall.

at least you have your self esteem, you have the knowledge that you're working on yourself, you  
can go home at night and look your wife in the eyes...

Yah, thanks. Listening to some bad-ass music and that sometimes out-shouts the Y"H in my head.

Leaving work soon, so no internet until tomorrow, which is GOOD.

Get ready to pay up, suckers! ;D
