

Momo II: Another try

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

What do you think **should** be written on my tombstone, besides my name and date of birth/death?

Also those Roshei-Teivos...

?.?.?.?.?

By the way...

Some Carlebach fans thought they'd pay a visit to Shlomo's kever.

They heard some weird noises coming forth from his grave.

As they listened closely, they heard all of Shlomo Carlebach's songs being played backwards.

One of the fellows called out, "Hey Shlomo! What are you doing!"

A faint answer called out from the grave...

"...I'm decomposing."

Momo, just always remember you've got your own unique individuality and that makes you 'special'.

:-\ I guess nobody liked that Carlebach joke. I hope I didn't offend anyone. It was certainly not intentional :-\

I didn't mind it at all, and based on the only time I met him, I bet he'd have laughed about it, too!

Wonder if they heard the "satanic messages" hidden in his songs like when listening to some backwards Led Zeppelin, Michael Jackson, and some others...

And a link with that; <http://jeffmilner.com/backmasking.htm>. :D
