

Momo II: Another try

Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

What gave it away, MY NAME or was it the jab in the ribs i gave you?

Both.

While you brought up some very good points, don't you understand that your tone was completely inappropriate, and that just turns people off from listening to the good points you are saying?

(and Uri, I'm trying to make a serious point to Rage, so please tone down the jokes please, at least until I go offline, which will be soon. Thanks.)

Now that I've made amends with everyone who's angry at me, and upset with me, and misunderstood me, I can log off.

i'll be over the mechitza!

Momo's saying of the day:

Do not walk behind me, for I may not lead. Do not walk ahead of me, for I may not follow. Do not walk beside me either. Just pretty much leave me alone.

And here's a few more...

The red ones are specially for Momo ;D

* The journey of a thousand miles begins with a broken fan belt or a flat tire.

* It's always darkest before dawn, so if you're going to steal your neighbor's newspaper, that's the time to do it.

* Always remember that you're unique. Just like everyone else.

* If you think nobody cares if you're alive, try missing a couple of mortgage payments.

* Before you criticize someone, you should walk a mile in their shoes. That way, when you criticize them, you're a mile away and you have their shoes.

* If at first you don't succeed...Skydiving is not for you.

* Give a man a fish and he will eat for a day. Teach him how to fish, and he will sit in a boat and drink beer all day.

Ok, ok, I admit. I'm being bad here. Really not nice. Momo asks for seriousness and I just refuse to take that seriously. What is wrong with me? I think I'm a humor addict. I just can't help myself. I will need to learn to stop struggling with it, and just give it up to Dov to struggle with.

Ok, I'm officially banning myself from momo's thread until I learn better control.

Momo,

You told Uri he can go wild,

I hope we were all included in that...

Oh, and on a serious note...

You did well today!

What, you're still here on the forum?

You're actually reading this???!!!

Struggle,

It's good to laugh. Let it out. You don't need my permission.

How do you know I'm reading this? I wasn't until now, when I checked my email.

I should be working, but I'm putting most of my efforts in pulling myself together. My goal is just to make it through the day. If I could, I'd go home and sleep, but that's not possible.

I'm on the forum today because I had to be. I can't imagine what would have happened if Yaakov didn't read my post this morning.

For those of you who don't know what I'm talking about, see here: <http://rehab-my-site.com/guardureyes/forum/index.php?topic=763.msg20059#msg20059>
