

Momo II: Another try

Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

Dov

where in the maharal? (I know its supposed to be a forgery but it's all stuff the Maharal said anyway)

Hagada shel pesach, he z"l, connects the ideas of "poor man's bread", the singularity and simplicity of the Korban Pesach (one year, whole, no broken bones, all in one house, etc.), white, the kittle, and the idea of freedom. He says that a poor person - one with nothing of his own at all, has one advantage over a wealthy person - he's got nothing to lose. ("when you ain't got nothin', you got nothin' to lose" - Bob Dylan...a z'chus for him...) As painful and difficult as life is for the oni, it is still quite simple: make it to the next day. Pesach is about simplicity - bitul to Hashem, as we have nothing and depend wholly on His chesed (which is white light which has every color in it so it has everything to give). That's pesach, the simplicity holiday, and that is where **freedom** comes from.

Sorry I do not remember *exactly* where it is in the hagadah, but it's gotta be somewhere near the beginning, as I never got past the first ten pages!! ;D !

Finally! A R' Dov post I understood :D

Were *you* the guy sleeping under my seder table after the first cup of wine? :o

Definitely not an AA addict! ;D

No. It takes *two* cups to put me under the table.

Where's R' Momo? Maybe it was *him*.

Update:

I called Rav Shlachter last night. I explained that in the mornings I've been unable to stop surfing as I thought he asked, but I surf OK sites (news and sports). I asked him if I broke our agreement or not.

He explained that he wanted me to commit to stop surfing no-no sites and not to act out/fall in the morning, so I'm doing OK so far. I can still see him this week, if I keep up not surfing no-no sites and not acting out/falling in the mornings.

In the afternoons I have permission to surf anywhere I want and act out. I guess he's trying to wean me off the no-no sites slowly.

Just not surfing no-no sites and not acting out for a half a day is challenging for me.

I'm glad I didn't blow my relationship with Rav Shlachter. It would be very pathetic if my therapist refused to see me because I failed so badly. That would certainly push me into a tailspin of the depths of porn.

Glad to hear the good news Momo, Ive been so worried for you.

Its all about baby steps. Ask R' Dov.

And sometimes babies fall.

But then they clamber back up and try again.

Much to learn from those mini warriors...

So true Mom so true. YOu know , now that i have a little one of my own i realize the truth even more. Interestingly, last sunday while my daughter was trying to walk she fell and cut herself. We brought her to the docter and she needed to get stitches. **AND I HAVENT NOTICED HER STOPPING TO TRY TO WALK!!** Wow how much we can learn from such little beautiful creatures. Btw did you get a hold of the mishpacha yet? Its worthwhile (i think).

Momo's been a very bad boy today.

Momo stayed late at work surfing p**n.

Momo must punish self, but doesn't know how.

Momo doesn't know what he's taught everyone here, except how to stay trapped by the Y"H.

Momo's a failure in the GYE system. He's here 8 months and still has trouble stringing 7 clean days together.

BAD MOMO!

Momo's happy his virtual friends are getting better and moving on, but he feels like the bus has left and he's standing behind, still waiting at the bus stop. No more buses today!

I'm sorry for all of the tears and prayers you wasted on me. In my mind I don't want to lust, but my heart wants to, and my heart is winning. It's in control. I can't stop if I don't completely want to stop, and I don't. It's too comforting.

Good night.

that's hurting me so so much!

cuz you really can. i don't know how or why, in fact, i have no answers. all i know is that it's possible.

cuz i see people who have done it.

Habib, I know you've been struggling a long time like myself, with less than stellar results, like myself. No offense meant, I just mean that I think we have more in common.

What keeps you going? How have you not given up hope? I'd like to learn your secret. Thank you.

First, I don't mind you posting on my thread. I'm honored you read it.

Second, I'm not sure anymore if I really want to get better. The lust is too comforting.

Third, who says I can do it? Just because other people here have is no proof. Everyone is different. Maybe I've done it so much, as a punishment, HaShem took away my free choice, like Par'oh.

With respect for you,

Momo
