

Momo II: Another try

Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

Well, let's bring some real honesty to this situation, and just let it out: Cholent has a way of reminding everyone else that it was here. In fact, scientific studies by the Gastrointestinal Anti-Legumic Society (GALS, sorry ladies) reports that flatulence - there, I said it - remains in the system for approximately six days after legume consumption. This neatly explains the holy minhag of replenishment we perform on the seventh day.

If it was actually Purim, I'd even go into a homiletic expansion on the term vayinofash.

But I won't.

Oy vei.

:-*

(A few of you may have needed that....and you know who you are.)

:o ;D :

Can somebody please explain why when Uri expresses his negative emotions he receives advice and chizuk while I get my thread hijacked with sushi jokes?

Why am I treated differently than everyone else?

Posted by Momo - 08 Dec 2009 07:46

OK, here's what I'm thinking. I'm thinking of making a poll.

Why does everyone else get sympathy and chizuk responses and I don't:

- People are tired of me.
- People are fed up with me.
- People have given up on me.
- People hate me.

You can be honest. I probably can't take it, but I need to hear the truth.

I'm sorry for being such an a**hole sometimes. I'm sorry for not being the life of the party. I don't know how.

I hate just about everything right now, especially my life.

Your not Momo. Honestly (now i know ths might hurt) i think the reason is because you dont express your feelings enough. Take for example Uri; he writes whats in his heart and people see that and try and be mechazek him. BUt when you write something like life sucks, although its definitely true that ,that is what your feeling, people dont know what to answer. Should they say no life doesnt suck??? Im not sure you wanna hear that. Try and expressing the feelings that make you feel that life sucks and i think peoples reaction would be different. Only because theyll have what to say. Check out Uris thread im sure youll ge what i mean. People love you but need somehting to base their words on. We arent real therapist here that can go on a tirad from just two words. Also its hard doing that over the computer. Sometimes you gotta see the persons pain hurt etcv etc to really understand what hes trying to get at. So for these reasons i feel its important you try and bring ut your feelings better and youll see thers just as much love

And besides when we see that someone feels that life sucks isnt chulent the answer??? I mean, isnt chulent the answer for everything??? ;D ;D ;D ;D

Thank you imtrying25 for your advice and honesty.

So, anyone else out there think I'm not expressive enough?

did you know that your topic is in the top ten list?

that means a whole lot of people read your thread.

i LOVE the pic, btw. LOVE IT!!!!

and if you look back a couple of pages, you'll see that sometimes uri's thread (and my thread, and trying's and everyone's) is hijacked with sushi and icecream and shnitzel.

honestly now, did you laugh while reading it?

or was it just too bizarre?

its part of the way a whole lot of us deal with life around here... humor heals, did you know that?

so if you don't want to get some eggs thrown on your porch, give out candy on halloween...jk momo, jk.

sorry. GYE taught me to joke. I'm hopeless now...

people are shy.... i was shy. i still get really nervous sometimes that you don't want me to post and you're just too polite to ask me to leave...

i'm sure a lot of people who read your thread just don't know what to say. what can you say sometimes?

i dunno. don't really think you're treated so different. but then, i don't really know anything at all... sorry...

I'll never feel that way. Post away!

I'm sorry if I ever make you or anyone else feel uncomfortable.

Sometimes I'm screwed up, and I don't hide that here. I understand people not wanting to hang around or talk to the "crazy" one.
