

Momo II: Another try

Posted by Momo - 17 May 2009 10:10

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

I'm grateful for (in no particular order):

1. My family who I love who love me.
2. My GYE friends.

3. The opportunity to prove to myself and HaShem that I can do one more day without surfing for photos of women.

4. My health.

Yes we can!

Go Momo Go! Yes WE CAN!

I'm feeling sad about Uri. I called him, and he promised to write emails, but still, knowing he's not posting makes me sad. He's OK, but he's hurt and sad too about fall-out.

He's welcome back any time. Although he asked me to delete his account last week (and the week before *too*) I never did. He's always welcome back here as long as he doesn't bash anyone else's approaches... So if you want Uri back, convince him to agree to that **one** condition. I honestly don't know what's so hard about that.

There has been one thing on my mind the entire day.

I'm very saddened.

Our dear friend won't be posting here anymore.

Uri, we miss you and we love you. Good luck with your future.

Keep strong, one day at a time, because you're worth it!

It seems that's up to him (see Guard's post above).

I'm not interested in who's idea it is, or who's to blame. I'm not blaming anyone and that's not the point. I purposely wrote what I wrote with no indication of blame.

I just feel that at least one post should remain paying homage to someone who affected all of us.

This is my way of dealing with Uri's leaving and I hope you can respect that.

I'm not interested in turning this into a fight or a debate. Please don't read into my words. Let's live and let live.

The poll wasn't written by me and it wasn't my idea.

Far be it for me to get into an argument with someone who's so "holy".

I spoke to Uri for an hour and a half by phone... Basically we're good now, but he's still not sure he wants to come back to the forum since Reb Shlachter told him that it's good that he's leaving so that he learns to deal with REAL relationships, and not just virtual. So he still needs to decide.

Perhaps kedusha and awesomeness are what we, respectively, aspire to!

Tryer 2, if I agree with every word that you posted , do I need to write 'me 2'? me3? (all elderly are asked to look away as this may be focusing) Or do I not need to say anything after all we're jst both tryers...

or.. jst write "post" :D
