

Momo II: Another try

Hi everyone,

After originally joining this forum, my first streak was the best for me (24 days). That was accompanied by almost daily posts and the chart. More important than the number of days, during this streak I really felt the Kedusha and that was an amazing feeling. I felt that I was actually getting rid of lust from within me. However, after I fell, I gave up with the forum and chart, and had smaller streaks. I make efforts to try again, however, I never reached the feeling of Kedusha during the shorter streaks (that were between 5 and 20 days). I also never felt that I was getting rid of the lustful feelings. I was just counting days until the next fall.

Anyway, I'm ready to try again with the chart and posting on the forum. I'm ready to make a REAL effort again but I've been feeling very lonely for the past few days, and I need the chizuk from this board to remind me that I'm not alone, and someone cares if I try or not.

Here's another try to feel the Kedusha and attempt to rid myself of the lust...

My first clean day was May 12, so yesterday (May 16) counts 5 clean days so far.

May HaShem help me.

Today is the beginning of my to be surfless workday #4 (out of eight). Still truckin' and 6 days clean.

), my health, and the opportunity to  
prove one more time that I CAN be at work a whole day and not surf.

Habib, IT25, Trying, "Mom", anybody else (?), you guys in the House of GYE? Good day to you!

OK, thanks. I understand. I don't expect everyone to be available 24/7. My ego isn't THAT big.

I hope you're kidding.

But, the fact you did stop to say good morning to me at 3 am, I do feel honored.

Now get some sleep! :D

OK, I think I figured out why I hate my job. I need to talk to people. I'm a social animal! Who would have thought that of a wallflower?

I sit in my little cubical, hidden away all day. I also work independently; I'm not part of a larger team.

That's why I love shmoozing with you guys.

So I feel lonely at work. How does that explain why I'm itching to surf? How does surfing relieve me of my loneliness? Any ideas?

Chag sameach Momo.

Hope you are feeling happier.

I think your insight into work makes a lot of sense.

Man is not meant to live alone and 8 hours a day is a mighty long time.

Im not Rav Shlachter, but my guess it that surfing connects you to 'action', 'excitement' and 'stimulation' -

all the things you are lacking in your real work world.

So you run away from boring work and run to the glittery 'life'.

Only its not really life.

Its a Hollywood bubble; no more than an airy hologram.

Today is day 4 of real life.

Grab it with both hands and surprise yourself when it doesnt evaporate into thin air
