

Noora BAmaram's Journey and Journal

Posted by Noorah BAmram - 07 Jun 2009 17:27

Shalom Alleichem to all my friends on this holy forum,

Today is with the help of Hashem day 61 on my sobriety journey.

I choose the name Noraah BAmram based on the famous story at the end of Kidushin where Reb Amram Chasida was faced with the battle we are all battling on this site. when he was halfway up the ladder to sin he shouted out **"FIRE IN THE HOUSE OF AMRAM - "FIRE IN THE HOUSE OF AMRAM -** I too scream out "fire in the house of Amram" "fire in the house of Amram" and all the sages came running to save him>

I hope and pray that thru my continued posting on the forum and being on the 90 day chart, somehow the fires of the YH that is waging inside me will be also be extinguished.

The chizuk and understanding that I received from all the members on this forum since I found this site about 2 months ago is absolutely indescribable and immeasurable.

Thank u to each and everyone of you- starting of course with our beloved webmaster, affectionately known around here as "Rabienu Guard" for opening up and sharing your own struggles, tips and suggestions and thereby giving me such tremendous chizuk.

I'm not the best typist in the world but i will try to keep posting as time allows.

Chevrah, I feel a little better since I got an "email" from the Almighty saying "hey Noora get off
My "Throne", and no, He. absolutely doesn't need my help in running His show :D :D

He also asked a favor that I kindly stop wearing His garments (Hashem moloch gaios loveish).

Today's chizuk email really shook me up! I wonder if others also had the same reaction.

The holy Guard is masquerading under the guise of a "webmaster" but I think that in his other "gilgul" he was a great chasidic rebbe from Poilen under Galicia who shlepped yidden out of the

Every once in awhile the guard reveals a littttteeellle bit of the GREATNES lurking underneath.

Today's Torah was worthy for R Tzvi Meir of Yerushlaim or for R Schlesinger of Monsey - pure genius!!

Come to think of it I'm gonna go "learn" it again!

Join me please in singing.....Tov lee! Tov lee! toras peechah mei'alfey z'hov vchesed- gits
arein a nechomallah in a yiddishe neshomalleh - gits arein a chiyus in a yid:) (will absolutely get
)

"swamps" over there

I daven for myself and for the heilega yidden "basar kadisha hodein" on this holy site,

May the Merciful One battle the YH for us!
