

Noora BAmaram's Journey and Journal

Shalom Alleichem to all my friends on this holy forum,

Today is with the help of Hashem day 61 on my sobriety journey.

I choose the name Noraah BAmram based on the famous story at the end of Kidushin where Reb Amram Chasida was faced with the battle we are all battling on this site. when he was halfway up the ladder to sin he shouted out **"FIRE IN THE HOUSE OF AMRAM - "FIRE IN THE HOUSE OF AMRAM -** I too scream out "fire in the house of Amram" "fire in the house of Amram" and all the sages came running to save him>

I hope and pray that thru my continued posting on the forum and being on the 90 day chart, somehow the fires of the YH that is waging inside me will be also be extinguished.

The chizuk and understanding that I received from all the members on this forum since I found this site about 2 months ago is absolutely indescribable and immeasurable.

Thank u to each and everyone of you- starting of course with our beloved webmaster, affectionately known around here as "Rabienu Guard" for opening up and sharing your own struggles, tips and suggestions and thereby giving me such tremendous chizuk.

I'm not the best typist in the world but i will try to keep posting as time allows.

NB

Today thru the kindness of Hashem is 117 days (or 16 weeks rounded down) on my sobriety journey.

Last night "chalom cholamti" but I caught myself and woke up just in time!

I wonder if maybe I'm getting to complacent, maybe even a bit cocky and arrogant in my struggle with the Mr Lust Addiction.

Perhaps this was a "wake up" pun intended- call to me.

Please chevrah, daven for me that I never loose the humility of "day one" on my sobriety

With endless gratitude to Hashem and humility before Him
