Many Thanks to all of u from JIP Posted by jewinpain - 19 Mar 2010 11:43

Hey folks, as u all know, I've been up. Here for a while now, and u all had a chance to see my struggles and my history, so here I am almost 60 days clean

So now what?? What happens after 90 days, do I become suddenly normal or what

Scientific studies have shown that it takes 90 days to change a neural thought pattern that was

ingrained in the brain through addictive behaviors.

98 days and counting UP!!

Had a cool 'sperience the other night. Went out for ice cream with the family, and walking up to get in line at the counter we came up behind a female dressed in a way that I used to not be able to keep my eyes off of. And that was EXACTLY what went thru my mind at the time - "UH OH!! this view used to fill my consciousness and be all I would want to look at, not be able to keep my eyes off of - BUT NOT **TODAY**!!" And I was so easily able to divert my eyes WITHOUT ANY SENSE OF LOSS and walk past this person to bring my family into a different line. I was so excited by my freedom, that I outstretched my arms and quietly started to yell **I'M FREE!!!!** ....

I can't believe how good u made me feel all of u, I feel like a drunkie these days, sounds like I had atleast a full gallon of Vodka, I'm in a gr8 mood I'm mchazek everyone, I pray much deeper, I feel just happy to be a jew and to have such holy brothers here who help me help others, I know hashem is proud of all of us, .....

The Ba'al Shem Tov says that there is a mishpat on Roash Hashana how your year will be.

There is a separate mishpat every day, A*dam nidan b'chol yom*, on how YOU WILL ACCEPT that year's events. What your mood will be.

Yosef! Speaking about the daily mishpat, I heard a very nice vort from 1 of my speakers who always makes me do thsuvha, he spoke about "that on rosh hashuna hashem sets everyones parnusa, so what if some1 messed up on that day, he didn't pray enough or asked for some stupid things, so now he has to wait another 12 months???? To get his bread for his family the answer was NO, I don't remember where he took it from but here is what he said, in rosh hashuna there is a mishpat and all jews are mfasphshin bmasim, everyone takes upon himself all good things and hashem sees it and puts a "Passed stamp" or our file, so if a person feels during the year he needs to appeal his sentence, all he gota do is, be mfashpesh bmasim and do emesdig thsuvah and he makes his own rosh hashuna , on a cold friday in shvat, so than he can win again to have all good stuff

just overcame a HUGE DEPRESSION CRISIS, i spent a few hours today doing NOTHING just spending time online (only kosher places of course) and in the past this behavior would throw me off balance & make me do bad things (prior to GYE) or getting depressed & starting to curse away after GYE, but today i WON, i am here with you guys laughing at the YH, yes i wasted a lot time doing nothing, but i won't give in for the depression, i said NO to him he is not gana be

sort of ????? ???? ???? i laugh at him, this is what he wants us to give up & i am not it's still 4:00 2 hours to go & i will go here, i heard a shier a long time ago from a rav here in Brooklyn whom i happen not to like but he said a good tip, he spoke to buchirem in yeshiva, after killing the entire morning sider, 7 suddenly they see its 1:40 they go into panic, so the chavrusa is debating whether to finish off the sider in the politics & make a kabula to start fresh tomorrow or they say no let's get at least 5 minutes of torah , some will say the former is better as this way they won't feel good about themselv & they will know tomorrow to watch better on our time, but the truth is that its masah yitser, just kick him out today don't let him make a sleep over , as we all know that after a day he is no longer a guest he gains balas on u, so i just adopted that a lot of times & it's really a good one

Ok back to work now, see Ya I8r

My little advice? Never laugh at the YH, he's a menuval, a mushchis, a sicko perv, but he demands our respect. We are all here because he has practically beaten us into submission. So while I'm super happy you were able to keep it clean, I would not want to laugh at the YH, you might get him angry...

See this gemara (Succah 37A) about what one amora would say while shaking the lulav, and

what the gemara says about it ...

But in all other news, keep up the good work, and keep on fighting the good fight!

As Dov says, "no arrow in the eye of the Y"H for me. It's Hashem's fight, not mine."

Glad to hear how well you're doing - keep on rocking!

I think that we're not supposed to actively challenge him...but soemtimes, you really can see the funny side, and being amused helps defuse an otherwise dangerous situation - when you can actually start laughing, because you see through the desire and realize what a lie it is, it can actually be funny!

Y does life have to be such a struggle

Wouldn't it be nicer if EVERYTHING was just GR8 for everyone

Hashem would have soooo much nachas from us

Re: JIP is gana make it - but u gota help me Posted by silentbattle - 24 Mar 2010 02:18

No, he wouldn't. because then we wouldn't be people, we'd be robots. That's why we're in this world, remember? To deal with situations that seem ridiculously difficult, and build ourselves.

And you're doing a good job, my friend. You are.
