

Bruce's Battle

Posted by BruceWayne - 17 Jun 2009 14:30

OK guys, it took me a little while but I'm finally up on this part of the forum. Most of you probably know who I am by now, so I won't repeat my story. You can find that and a bunch of other stuff at my original thread here: rehab-my-site.com/guardureyes/forum/index.php?topic=503.0

I will be posting my progress towards 90 clean days almost every day here. Updates will be right before I go to sleep, once the day's victory is secure, or the next morning.

This thread is really for myself. I don't care if no one reads it. It's here to keep me accountable and to help me get there.

So far I have been clean for 4 days. Today will hopefully be number 5.

Hey Bruce

Keep it up, one day at a time, the road of my journey has not been smooth, and I have slipped and fallen many times, however each time I get back up as keep on going as I know that a life of active addiction is no life it's a depraved existence. So I wish you well and do what ever it takes to stay sober one day at a time.

Reb Bruce, (Reb Boruch sounds better if that's your Hebrew name be proud of it)

Its great to have a own thread so that you can keep count on were your up to.

But, if you need to discuss something or for much needed chizuck we all need I would suggest to post on your thread as well as the thread that is getting the most attention on that particular day so that you get much more feedback.

That's just how I do it.

I like the name "Reb Bruce".

Keep that hell-bent determination! Direct all your anger in life (if you have any) at your addiction.

Keep up your determination, to be an oved and a striver. Lfum Tzara Agra

Your final victory will turn all your previous defeats - also into victories, for despite having fallen - you will come out victorious - this is even a greater accomplishment, and Kavod that you give HaShem.

I am pulling for you, and appreciate the help that your struggle moves me forward also

"Direct all your anger in life (if you have any)..."

ARE YOU KIDDING? That's how I succeed at EVERYTHING. I have more anger and frustration than you care to know about. Trust me.

Also, I must say I'm impressed with the number of posts that are already up here. Didn't expect it.

Update later. So far so good for today.

Heiliger Bardichev, it's unfortunately very hard to get me to laugh (I'm suffering from terrible emotional yesurim that I don't wish on anyone Hashem yishmireinu) I smiled at a lot of your jokes but when I read this one -just now, I laughed for real. You should know that you did me a great chesed.

And BRUCE, it's all thanks to you.

You should all have a wonderful Shabbos!!!
