

Bruce's Battle

Posted by BruceWayne - 17 Jun 2009 14:30

OK guys, it took me a little while but I'm finally up on this part of the forum. Most of you probably know who I am by now, so I won't repeat my story. You can find that and a bunch of other stuff at my original thread here: rehab-my-site.com/guardureyes/forum/index.php?topic=503.0

I will be posting my progress towards 90 clean days almost every day here. Updates will be right before I go to sleep, once the day's victory is secure, or the next morning.

This thread is really for myself. I don't care if no one reads it. It's here to keep me accountable and to help me get there.

So far I have been clean for 4 days. Today will hopefully be number 5.

Well, looky here...

Day 16. I believe my previous record is 22. So only 7 more days and I hit a new record.

I'm really liking this strategy of NOT counting days. This is only the second time I've checked since starting again, and it's already 16.

Cool.

GAG

My stepfather makes those kinds of jokes. Is there some kind of bad pun gene that turns on once you hit 40 or so?

Listen here, whippersnapper.

First of all, while I *am* chronologically 47, I came into the program (according to my sponsor and . Since *that* was 1997, I am now *actually* about 23 years of age 8). Luckily, for berdichever, I can still buy him his Woodford.... ;D :D

Second of all, uh.....I can't remember.....uh, oh....guess I really am old.
Never mind.

Love you, BW!

OK guys, no more bad puns. I had to grow up listening to them and I've heard enough for several lifetimes.

Now if you have any good nerdy science jokes I'm all for it.

Science jokes?

Well, I work in a hospital (kind of scientific, sorta) and i tell this one to my slightly confused patients just to see how disoriented they really are:

Did you hear about the guy who had to have the entire left side of his body surgically removed?

No?

Well, he's all right now.

Get it?

If you tell me this joke means I am even OLDER, I may cry, so watch it, buddy.....

k, i couldn't resist

Hi Bruce- i think this is my first time posting here.

A neutron walks into a bar, sits down and asks for a drink. Finishing, the neutron asks "How much?"

The bartender says, "For you, no charge."

AND

Two atoms are walking down the street when they run into each other. The first says to the second, "Are you all right? You

don't look so good."

"I'm not feeling very well," says the second atom. "I lost an electron!"

"Are you sure?" asks the first.

"Yeah, I'm positive!"

and Dov-

:D :D :D :D :D :D :D :D that was hysterical
