

Bruce's Battle

Posted by BruceWayne - 17 Jun 2009 14:30

OK guys, it took me a little while but I'm finally up on this part of the forum. Most of you probably know who I am by now, so I won't repeat my story. You can find that and a bunch of other stuff at my original thread here: rehab-my-site.com/guardureyes/forum/index.php?topic=503.0

I will be posting my progress towards 90 clean days almost every day here. Updates will be right before I go to sleep, once the day's victory is secure, or the next morning.

This thread is really for myself. I don't care if no one reads it. It's here to keep me accountable and to help me get there.

So far I have been clean for 4 days. Today will hopefully be number 5.

It's starting to get pretty hard now. I don't know what day I'm up to, but last night was almost impossible. I couldn't sleep. For some reason I had a ton of energy and I just lay there trying to fall asleep. That's normally not so bad except I was feeling extra super frustrated yesterday and it dragged on all night. Part of it is because I had to go out (subways=deathtraps) but I was already having a hard time before I left.

I think part of it is also that I'm finally getting to the gym on a regular basis, which of course heightens libido. But I think that's a fair price to pay for the benefits of regular exercise.

Somehow I didn't even think to walk over to my computer just a few feet away from my bed. That's not to say I didn't wrestle with other inappropriate thoughts, but I managed to get through the night.

I'm restless, anxious over something that's happening later today, and totally frustrated at everything.

Keep those jokes coming. They might help.

P.S. I've heard that electron one before. It's an oldie but a goodie. Dov's is new to me, and he delivered as usual.

Bruce,

You're doing great. Did you put up the picture of Mr. Magoo near your computer? :D

I just checked how many days I'm up to in the hopes that it would keep me going, and GUESS WHAT?

If I get through today, then I will have tied my old record, which obviously means that if I get through tomorrow, that's a NEW RECORD.

I can't stop now.
