

Bruce's Battle

Posted by BruceWayne - 17 Jun 2009 14:30

OK guys, it took me a little while but I'm finally up on this part of the forum. Most of you probably know who I am by now, so I won't repeat my story. You can find that and a bunch of other stuff at my original thread here: rehab-my-site.com/guardureyes/forum/index.php?topic=503.0

I will be posting my progress towards 90 clean days almost every day here. Updates will be right before I go to sleep, once the day's victory is secure, or the next morning.

This thread is really for myself. I don't care if no one reads it. It's here to keep me accountable and to help me get there.

So far I have been clean for 4 days. Today will hopefully be number 5.

y'know what we want batboy? a page long post. i dare you.

Somebody didn't read my post in the Break Free section....That was long. You guys are going to have to flakify me before I post a page long rambling.

OR, you'll get it when I hit 90 days. **Too bad I'm not counting these days....**

Yay! I'm not counting either. Guess what? When my wife and I were talking about my anniversary (we generally try to avoid talking about the program as much as possible, cuz it brings her to bad old memories), we realized that I have actually been allowed to be sober for a year longer than I had cheshbon'd oiss...I jumped for joy! **Not** because it had been another year, but **because I had no idea!!!** Yipeee!!!

Maybe we should take up smoking *tobacco* products, instead....

somebody DID.,

and then said it didn't count because YOU didn't write it.

u don't have to count days... just tell us- how u doin?

I'm OK. I relapsed a bit during my time off, and it only strengthened my resolve not to go down that route anymore.

I'm also stressed out. Looking for a job.....and I'll be applying to grad school in May, so there's a lot of uncertainty and a lot that's just out of my control right now.

Plus some other stuff that I won't talk about.

Life is hard for us young'uns.

Let's all daven for the youg'uns. May Hashem who brought us this far show us all Rachamim and chasodim megulim today, so that we can be more useful to others. Of all who know our difficulties, it's You who know them from the inside, and *really* care all the way, after all. Help us all know how much You care about us and *for* us this very day. Help us stay sober today so that others who struggle with sobriety and sanity know that they have a chance, too. And even those who sturggle, too. It's so nice to know that we share the same Best Eternal Friend of all and can really depend on You. We are proud members of Your club, Hashem! Even though we are not patient with You, thanks for everything - especially for your patience with us. Omein.

Being a college student.

I only wanted to be gone for a week or two, maybe three, but then I got slammed with a ton of work for school. Thankfully it's over.

Rage as my lawyer.....

I would have to pass only because my whole family is full of lawyers and nepotism is always fun (not surprisingly, I'm not going into law).

It's good to finally be back on the forum and back in the gym after so long. My mind and body were going ballistic....I thought I was going to completely lose it.

Actually, I sort of did for little bit.

What number is it if the agreement is unanimous? Infinity?

"Yes, I infinity the motion of the gentleman across the room...."

If it's unanimous , that means that u agree too. So that would make it a non question...
