

Bruce's Battle

Posted by BruceWayne - 17 Jun 2009 14:30

OK guys, it took me a little while but I'm finally up on this part of the forum. Most of you probably know who I am by now, so I won't repeat my story. You can find that and a bunch of other stuff at my original thread here: rehab-my-site.com/guardureyes/forum/index.php?topic=503.0

I will be posting my progress towards 90 clean days almost every day here. Updates will be right before I go to sleep, once the day's victory is secure, or the next morning.

This thread is really for myself. I don't care if no one reads it. It's here to keep me accountable and to help me get there.

So far I have been clean for 4 days. Today will hopefully be number 5.

OK.

Time to get back on that chart.

Today was Shabbos. It was Chanukah. It was the parsha of Yosef overcoming impossible temptation. It was also my birthday (hope I didn't just ID myself..)

Can there be a better time to start?

A new year of my life, beginning on a day that's all about standing up to impossible odds and being victorious at the end. Not just standing tall but shining bright.

Today is Day ONE.

You want to send me punk riffs while I'm a metal guy and you've got rap quotes under every post of yours?

I'll have to think about it.

When I think of punk I think of RATM, Green Day, and AFI....meh. Not that I don't listen to them once in blue blue moon, but....meh.

Well you do that but I doubt it can top the 'tallica I'm listening to right now.

On a different note (get it?), I'm about one hour away from completing 3 clean days. Just have to go to sleep and the deal is done.

Climbing back up...

Mr. Wayne,

Happy Hanukkah! How are you?

There is so many sufgonuyot and other sweets around me, I might eat them all.

And that chicken was crossing the road, while the cars were coming. Not a smart chicken, but was delicious.

4 days. Nothin' to boast about because it's still pretty easy. We'll see what happens when I get to about 15. That's when it hits the fan.

Because this is like the millionth first four days for me.

Also, I've been pretty busy with schoolwork, so there's not really time to act out. Not that I wish to be busy with schoolwork all the time. Or at all....
