

Bruce's Battle

Posted by BruceWayne - 17 Jun 2009 14:30

OK guys, it took me a little while but I'm finally up on this part of the forum. Most of you probably know who I am by now, so I won't repeat my story. You can find that and a bunch of other stuff at my original thread here: rehab-my-site.com/guardureyes/forum/index.php?topic=503.0

I will be posting my progress towards 90 clean days almost every day here. Updates will be right before I go to sleep, once the day's victory is secure, or the next morning.

This thread is really for myself. I don't care if no one reads it. It's here to keep me accountable and to help me get there.

So far I have been clean for 4 days. Today will hopefully be number 5.

P.S. On second thought, let's go with asexual. Bringing guys over would be worse....

What the hell do molotov cocktails have to do with anything?

I'm just suggesting that *perhaps* one or two of them might solve your problem.

Just a suggestion...

Second, I hate the term shiksha. It's laden with bigoted connotations.

Third, I can't molotov him in the house because I also live there.

Fourth, there are easier and cleaner ways.

Fifth, I think you're crazy.

Dear God,

Today's joke wasn't funny. The next time I check out the magazine racks at a store, please make sure that the pornos are hidden in the back the way they are supposed to be, not right on the other side of the magazine stand with the plastic wrapping removed so that I almost literally walk right into a pair of pixelated you-know-whats when I round the corner like what happened today. I'm doing my part, so why are you trying to undermine me? What happened to the 90/10 rule?

Also, I would appreciated it if that roommate of mine stopped bringing girls over. Can you please help him discover his homosexuality or something?

Thanks. I really want to get to 90, and I just want some help rather than added resistance on top of what I already have to deal with.

No more jokes, OK?

Dear Bruce. We have received your request and it is being reviewed. Please allow for some time, as we get many daily requests.

Thank you for contacting G-d.
