Hi there - sorry I didn't reply earlier, but things have been busy in my life - check out my thread to see why!

Welcome (slightly belated, I know) - it sounds like you've been through a lot, but you've also experienced tremendous growth, and you're looking for a way to solidify your growth, and keep on moving forward. This site is great for that, too!

3 days is great - keep moving forward, and remember to live life. The yetzer hora often tries to convince us that things get harder after a week or so, but you don't have to buy into that; every day clean is a reason to celebrate, and to feel more alive and free!

Keep on rocking and rolling!
