

Today's battle

Posted by jda211 - 23 Jun 2009 18:54

---

Today is Day 5 for me, at work it is hard to watch myself and guard my eyes and i keep getting impulses to look at bag websites, but i need to try and forget about for another 2 hours until i go home, when i will be busier and it will be a little easier.

But so far today, B'H, i am clean
