My friends,

It has been a long time since I posted. I have been on "the cruise ship" which embarked in February but unfortunately I fell overboard midway and luckily escaped the sharks but not without some injury.

So I am ready to try again and start climbing the mountain. My longest streak was 87 days last year and I can't even begin to imagine being at the top of that mountain but they say One day at a time!!!

I hope IY"H to post regularly so I can get chizuk and give chizuk!

Have a wonderful Shabbos
