starting again after 37 days clean

ok. today i had a fall. my thread up until now is "this time im in it to win it." not this is it. im trying to fight against the anxiety of falling. i think one of the hardest parts of falling is now you have to start all over. but who cares.

im tightening the rules. this time, if i even start to m\*\*\*\*\* i will consider it a fall.

im gona have the filter gabbai turn my k9 into a whitelist by having him block out the keyword ".com" or ".org" and have him place my email and GYE in the exceptions box.....

since it is zman simchasenu instead of being sad, im happy that hashem gave me 37 day (i think thats how long it was) every time a thought of anxiety or annoyance comes to me, i yell at it "kafai tovah" youre denying hashems gift of 37 day

i have more to say but i have mincha to go to

a gut moed

It was worthwhile for Hashem to create Heaven & earth just for the nachas that He got from this single **Soldier of Hashem!!!**

??

i have a very strong urge right now. if i didnt have a filter i know exactly what i would be doing. im listening to (jewish) music right now. sometimes it helps me. but idk how long ill be able to controll myself today. i know that if i need to leave my house or if i have any oppurtunity to look at anything inappropriate or even if it is "appropriate" i would have a hard time controlling myself. im trying to push. just typeing has already helped me. but chizzuk would be helpful.

p.s. would this post be something to put in the "im about to fall" section?
