

fresh start

Posted by Sturggle - 06 Jul 2009 19:35

I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

...sounds pretty normal to me.

May you get a reprieve from the struggle - we all do every now and then. Spiritual rest is nice. In the meantime, I am with you, buddy.

we would be more appropriately called human "becomings" than human "beings".

because we are not perfect and we can do something about it,

Well said!

I like

thanks Dov.

I am feeling a little better, but still feel weighed down. the most important part of it for me is to not let my emotions get the better of me, not to turn to acting out, and continue living my life from where I want, making choices from as healthy a place as possible. all of that a struggle for me at the moment. definitely slipped a few times over the last few days. feeling down is "normal" and I want to accept it and not let it rule over me.

and, Mom, thanks.

Sounds like you're doing good, and like you have a realistic perspective on life.
