

fresh start

Posted by Sturggle - 06 Jul 2009 19:35

I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

Dear chevre...,

I'm feeling better now than I was earlier today. Well, at least I'm thinking better, B"H.

I wanted to say thank you to some of you for your encouragement...

Cleareyes, Yechida, Habib, Letakain, Trying, (Mom, shhhh...), Pintele (even though you've disappeared...), Bardichev, Rage, Uri and Tomim..., oh, right, and Guard!

And to everyone else as well...

FYI,

I am not white-knuckling anything. At least I don't think I am. I have and am seriously considering getting involved in the SLAA 12-steps. I am also seeing a therapist.

On Friday, I sat down and cried most of the session. It turns out that I have a lot of negative voices in my head that are speaking to me and the most positive voice I can muster is "I don't want you to feel bad, I want you to feel good, I want to help, but..., hmm..., shucks, I got nothing..." I have what to learn. For now, your positive voices mean so much to me. (They always will, I just hope to join the ranks at some point.) And no, at the end of day 28, I am not

free of lust...

Still clean and hoping to stay that way...

this was supposed to be a day of ??...,

didn't really feel that...

well, i am on the other side of it now.

b'ahava,

Sturggle

Sturggle, good to hear that you are clean and are feeling better. Can anyone seriously be completely free of lust? Keep on going, HaShem is with you and smiling!

You are not alone. We all are there with you! Most importantly HaShem. Tell the voice, wait one sec. Then you "turn around" and say, "HaShem, I give all my struggles to You. It is up to You to decide what happens. Please do not let me fall."
