

fresh start

I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

The more I get to know Sturggle, the more I hold by him!

He is so sincere and caring.

Sturggle, IYH someday soon you will learn to appreciate the good within yourself as much as we do, and even more.

Rage,

Thanks for starting that whole sobfest.

Look what you of all people are bringing to this forum.

I apologize for not being on your thread much,

I need a good translator.

And, pashut, I haven't been here much bchlal.

I know you guys (and Mom) mean what you say.

I'm right now not holding much from myself.

Actually pretty down, but I go up and down like

a see saw and I don't know who/what is sitting on the other side.

Ok, at times I do. That doesn't always make it easier, though.

Either way, there's a party going on, now is not the time.
