

fresh start

I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

Why do you keep coming back to check what's new on your thread, sturggle? Common. A little self-control!
