

fresh start

Posted by Sturggle - 06 Jul 2009 19:35

I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

He's not here, gals. He's gone. You're beating a dead horse.

(ok, maybe THAT will get him to post)

Yeh, and the guy "ImTrying25" sounds a lot like him too. For a while there, I thought it was a new incarnation of "Sturggle" in disguise.

Ok, I'll write a little more than that.

It's just I've been trying so hard to get that pickle jar open
and I've been having a hard time, so I was ashamed to post.
Well, it's open now, man that was tough.

And I dunno about the garbage from last week,
but I took out what I found.
Oh, right, you need a moderator for that these days.
Well, mom, I guess you're gonna have to deal with the garbage yourself.
Or get some of the big boys to take it out.
Reminds me of a story...

Well, then, as you can tell I am somewhat excited to be back
and I am suddenly finding myself in a good mood.

I am only here for a short bit and will not be able to post again for a bit.
I would say don't fret, but that doesn't seem to work
and someone's gotta post on this thread if I'm not.

I've had some pretty bad falls and I don't really want to talk about it,
but I think I should come clean...

I am extremely ashamed of it, even though I can pretend to not be.

I went to meet up with someone last week.

As in I met up with a stranger. Not cool!

I'm doing ok as of right now. Plenty of challenges.

A bit ago, my therapist said I need a change of attitude,
so without telling me to go read the handbooks,
if you have some input, I'd appreciate it.

Also, my birthday is coming up and I won't be able to post,
so I wanted to give you all a bracha...

May you all find your paths in this world that will take you in the ways of Ratzon Hashem.

May you all find your freedom from your personal mitzrayim to reach the culmination of
relationship with our Tatte.

May you all find light in this month of or.

love,

Sturggle

sounds like you had a really really rough couple a months
Yay, Stungie's back!!

Ok, now that he's back, let's ignore him. I love to get on his nerves that way :D

Just kidding...

But seriously, dude. **Read the handbooks.**

Ok, just kidding again. :D

Change of attitude? Yeh, Uri's good at that. **We love Uri!**

Woops. ;D

Um. no really. Rav Shlachter seems to be good at helping people change their attitudes. Have you considered visiting him?

Or perhaps another attitude-changing therapist?

Whatever you do, we're here for you.

Make a red-line of no meeting up with people. And stick to it. Once you've conquered that ground, you can move on and conquer more territory, slowly but surely.

May the Bracha you gave us, go back to you. Hamevarech Yisbarech!

Missed you Sturggle!

Dont worry about the garbage; Kedusha dealt with it a while ago.

He's set up this neat new system that all garbage automatically self ~~deletes~~ destructs!

Sorry to hear its been a rocky few months.

Rav shlachter may not be a bad idea...

keep posting whenever you can,

for your sake and ours.

And will you finish up with that pickle jar already?

Soon we need you to start hanging streamers for Letakains wedding!
