

fresh start

Posted by Sturggle - 06 Jul 2009 19:35

I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

Ahah!! Imtrying figured it out... It must be the name of your thread "fresh start" that is causing this...

I keep "merging" your threads... This is weird.

Are you sure you are just pressing "reply"? And if you **are** sure, maybe your computer is not plugged in?
