fresh start Posted by Sturggle - 06 Jul 2009 19:35

I was on the list before under a different name and I decided to change it. Previously I was "David". I am nearing the end of my 4th day clean. Today was difficult and challenging. Thanks to your help, I have had a filter (K9) on my computer since Thursday afternoon. That has been helpful. Anyway, happy to be on this journey of sobriety. I'm not so sure how much to disclose about myself and what to write on these forums. I hope to make use of them, though. I have needed, do need and will need help and support.

Dov and B,

LOLLING over here!

Some good thoughts,

huge fan of LOTR,

and working in the kitchen,

don't even got nintendo,

I will see how I can put some of that into action.

So, how was dinner last night?

What did you have?

Some good pasta?

One issue, btw, with your suggestions is

that the breaks could take me half an hour plus

and then in 4 hours time, I will only have studied for a little over an hour!

ok, ive actually been doing the 20 minute thing and B"H, moving along here,

it's not easy, though, i have this nagging feeling that keeps on coming back to me

and my mind keeps wandering..., not cool, but it is what it is,

it helps me to keep in mind what i really want to accomplish:

do well on my exam and stay clean/sober, the feelings aren't going to go that easy...

Re: fresh start

this thread is starting to make me laugh. Although just a little.

My sponsor used to say to me, "feelings are just: feelings. Not reality at all. Just feelings, not the way things are."

Oh, how I hated when he said that! ;D

Bye.
